

## Against Cyber-Bullying !!!

### What is Cyber-Bullying?

Cyber-Bullying is **slander, annoyance, difficulties and compulsion** of other people by using online-chats in social-media.

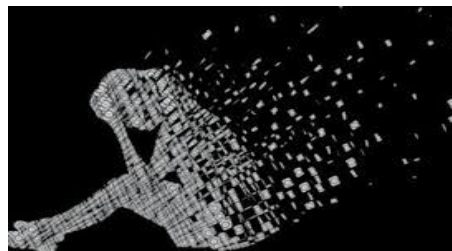

### Who are the victims of Cyber-Bullying?

**Everybody can be a victim of Cyber-Bullying**, but often people, who look different than the majority or people with other interests as the bully.

### Which consequences does Cyber-Bullying have?

Cyber-Bullying has many bad consequences like difficult mental disorders for example **depressions** or **eating disorders**. In a very extreme case **suicidal thoughts** can be caused.

### Why people cyberbully?

Often many people don't know what they are doing right now, they are just going with the others, because they **want to belong to it**. Many people do this, because they have **problems with themselves** and let it out at the others to feel better or because they have something, which they want to have, but never will get.

### What you can do against Cyber-Bullying

When you are a victim of Cyber-Bullying you shouldn't think too much about to comments and the other things they did/said, because they don't know your real personality and everyone has his own little problems, but they make you to the person who you are and everybody is **perfect at their own way**. But this is easier to say as to do, therefore you better had to talk to someone and get some help.

There is also **help** at the **internet**:
